Course Guidelines

A. **Course Registration** - To register for the course, participants must submit an online registration form located at <http://www.usd-online.org/inted.htm> (University of San Diego) or <http://www.ces.sdsu.edu/dodds.html> (San Diego State University) or <http://www.ashland.edu> (Ashland University). The registration deadline is **October 9, 2005** (no later than ten days after the start of the class as per the agreement.)

B. **Course Requirements** -

1. Attend a minimum of 30 “Tech Tuesday” Mini Sessions.
2. Read handouts prepared and provided by the instructor regarding various technology resources, such as *Graph Club*, *Timeline*, *Kidspiration*, *Inspiration*, *Kid Pix 3*, *Microsoft Office* and *other new software as it arrives*.
3. Participate in the creation of sample projects and attach samples as part of the course project paper.
4. Participate in the Spring Science/Technology Day with their class.
5. A written course project is required and must include the following:
 - A written lesson plan for classroom instruction addressing participant selected curriculum standards, making use of at least one of the learned technology resources.
 - Printed samples of projects prepared during class sessions.

The finished course project paper must be sent to Cindy Templeton at cindy.templeton@eu.dodea.edu. Attention: Cindy Templeton and received no later than, June 3, 2005. The paper must be typed and include a cover sheet with the course title, course number, location, dates, participant’s name and mailing address.

Course Description – This course is designed for elementary educators and will introduce participants to a variety of software products available for enhancing and supporting standards-based instruction. Participants will have the opportunity to choose to attend a minimum of fifteen hours of instruction and lab time from at least twenty hours of offerings. This will allow

participants to focus on resources relevant to their grade and curricular assignments. Educators will learn how to use the resources and align them to content standards.

DoDDS-E Approving Official Signature for Course: 
Maryellen Riley, Assistant Superintendent, Bavaria District

Approving official will forward copies of this document to the following:

Dr. Jim Olivero (JLO0004@aol.com)

Deputy Director DoDDS-Europe

Cindy Templeton: Cindy.templeton@eu.dodea.edu
